# KNOWLEDGE IS POWER

Knowledge is power from hour to hour.  
Knowledge is something you have to devour.  
Without knowledge you can't be strong;  
Without knowledge you won't know right from wrong.

Without knowledge you can't even think,  
Without knowledge you can't write with a pencil or ink.

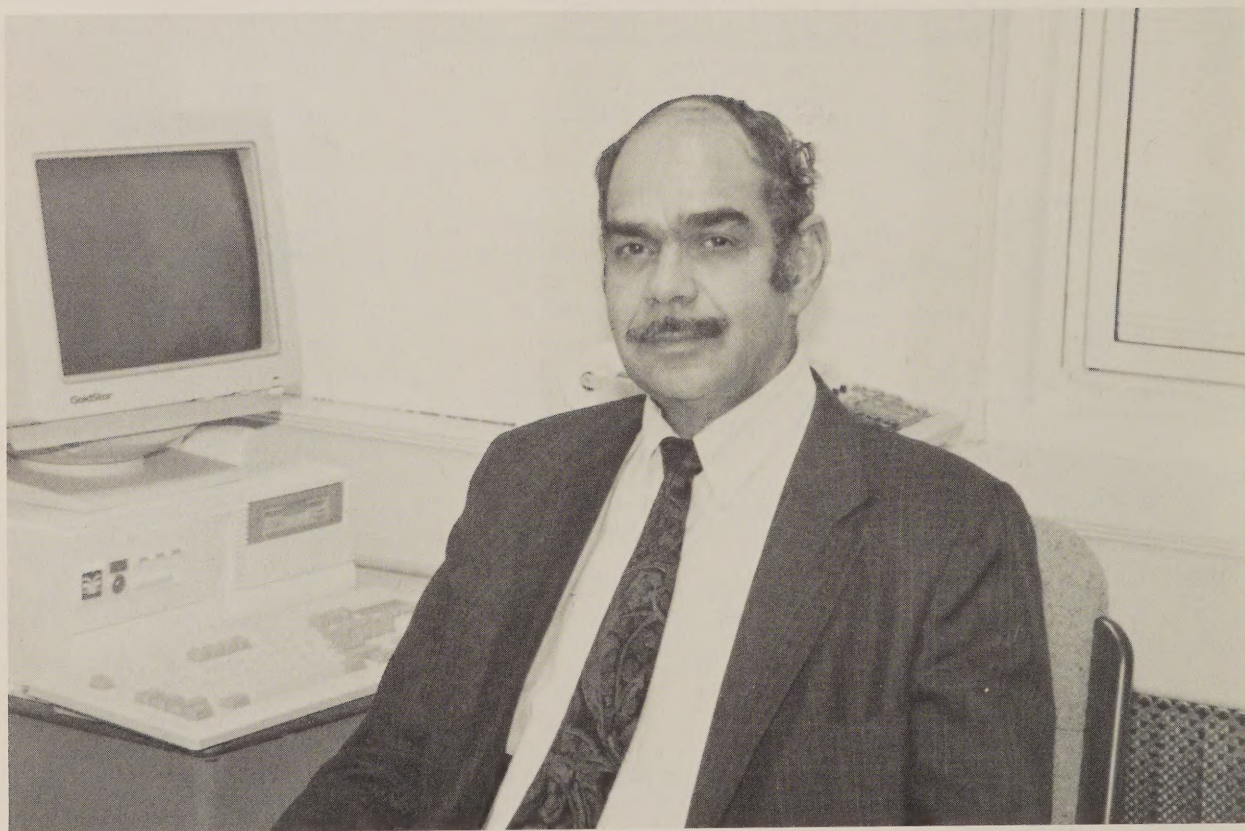

Without knowledge life will pass,  
Because you're taking the wrong path.

Knowledge is power,  
Power isn't knowledge.  
Without knowledge,  
Power would be garbage.

Without knowledge we can't arise.  
Only with knowledge we can survive.

Preparing for graduation in the year 2000 has many ramifications of new hopes and futuristic changes. We hope that the education and nurturing received during these middle years will be memorable, cherished and applied to creating a grand future for yourself!  
The best of luck to each and every one of you is my sincerest wish!

Yours truly,

Mr. Henry Foster

THE THRILL OF VICTORY

# Pep rally primes kids for early-warning test

■ Motivation comes from song and speech at Plainfield's Hubbard Middle School.

By **BERNICE PAGLIA**  
Courier-News Staff Writer

**PLAINFIELD** — After a pep rally Monday featuring rappers and motivational speakers, eighth-grade students at Hubbard Middle School planned to eat right and rest up for an important test this week.

The students will take the Early Warning Test, which is designed to assess student strengths and weaknesses while there still is time to get ready for more tests in high school.

Success on the Early Warning Test paves the way for being college-bound in high school, speakers told about 200 eighth-graders.

Students have prepared all year for the test, but cut loose Monday with two rap performances. Tamika Dunn and Danielle Gordon sang with a recorded rap song,

"Total Remix" by Total, as Andrea Goines, NorRaysha Dorsey, Nia Evans, Kaleema Brown, Kamesia Brown and Aseera Butler danced.

Later, Newark rappers S'n F performed "It's like Dat," an original from their repertoire. Suke, 17, and Flow, 21, said the song was about how life is full of ups and downs.

Evans said later she planned on "getting a lot of rest" this week to be ready for the test.

Jill Johnson of YES Magazine urged the students to think about their futures and how going to college would improve their income as adults.

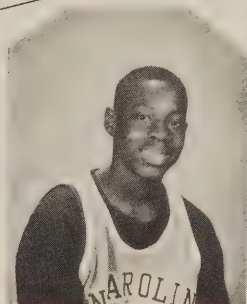

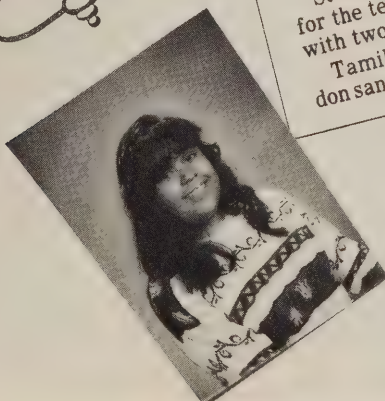

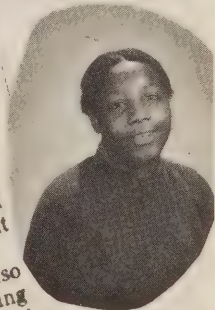

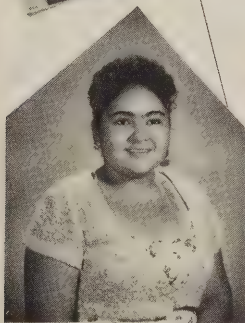

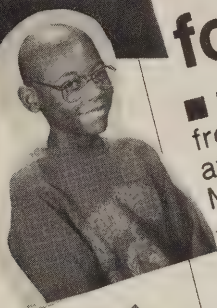

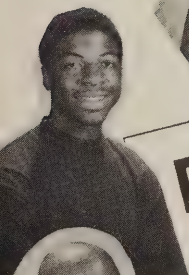

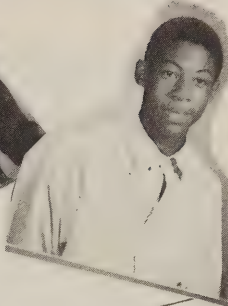

Johnson led the students in affirmations including, "I feel good," "I am beautiful," "I have what it takes to be great," and "My future is up to me, I'm a success because I want to be."

The magazine's name itself stands for "Youth Excited about Success," she said.

Teacher William Wessells also encouraged the children, telling them they had the full support of Hubbard staff as they take the test this week.

## WOMEN

There were women then  
My mama's generation  
Husky of voice - Stout of Step  
With fists as well Hands  
How thy battered down doors and ironed  
Starched white shirts  
How they led Armies, Head - Ragged Generals  
Across mined Fields..Booby - trapped Ditches  
To discover Books  
Desks  
A place for us  
How they knew what we  
Must know  
Without knowing a page  
Of it  
Themselves .
